Are you Doctor, Nurse or a Health care worker?

Dear fellow Rotarian

I would like to welcome you to our world-wide fellowship through service in medicine. The details and the opportunities are endless, whatever your interests and specialities may be. We are a global club beyond your own club, equally as enjoyable, extending the horizon of your vocation in Rotary, and creating lasting friendships with your fellow professionals in many parts of the world

If you would like further information please give me a call.

Our Life membership fee is USD120 and for one year the fee is USD15.

This will give you access to the world wide net work of members as well as fellowship and volunteering opportunities. For more information and application form, please visit www.rotariandoctors.org/ or contact me (address above).
